

BULLYING AND CYBERBULLYING

It can cause depression, anxiety, send the victim on social networks, in school. Stalkers insult, belittle and push the victim to suicide...

You should talk about it to adults or people around you.

Bullying leads to nothing

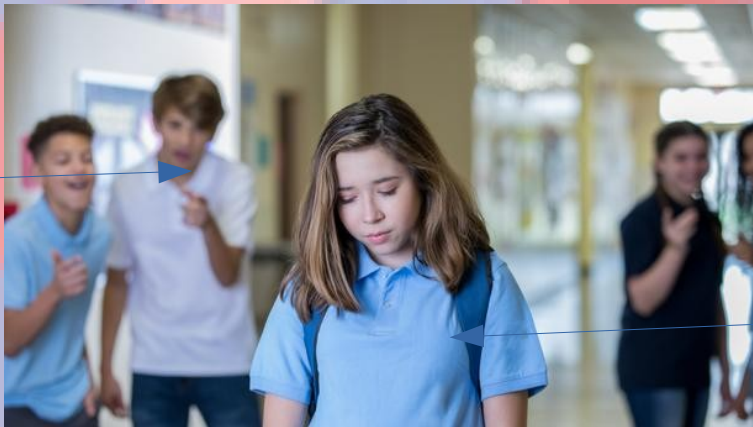

You should not listen to insults from a bully

You should not stay alone

You should try not to lose confidence in yourself

You should do not be afraid of threats

You should put yourself in the place of the other

bully

victim

You should stop
